R. Cordingley a contract in writing, for the sale to him for the price of \$900 (of which \$100 was paid by him in cash, and the balance is made payable \$20.00 or more a month, including seven per cent interest on deferred payments), of the following described real estate located in King County, Washington, included in said inventory and appraised at \$900, to-wit:

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of said Superior Court at my office at Seattle this 18th day of August, 1922.

George A. Grant, Clerk.

By Geo. L. Berger, Deputy Clerk.

(Seal of Superior Court)
(King County, Wash.)

State of Washington, ss.

County of Snohomish.

That the undersigned, Clerk of said County, do hereby certify that it was found by the undersigned, Clerk of said County, that the same was the only instrument filed for record in the office of the Auditor of said County, on the 1st day of June, A. D. 1901, at 1 o'clock P. M., affecting the title to the land described in the caption hereof, as follows, to-wit:

Tract #84 of the Idema's Sea View Lots, in Snohomish County, State of Washington.

Also, that as shown by the indices to the records in the office of the Clerk of said Snohomish County, there have been no judgments entered or suits commenced in any Court of record in said County, since above last mentioned date, against William L. Snider, Sarah E. Snider, which are liens upon or which affect the title to the above described real property.

Also, that as shown by the official tax rolls in the office of the Treasurer of said County, the above land has been taxed for all years up to and including the year 1901.

I have shown where records in the office of the Auditor of said County are located.

That as shown by the official tax rolls in the office of the County Treasurer, there have been no judgments entered upon or which are liens upon or which affect the title to the above described real property.

That the undersigned, Clerk of said County, do hereby certify that the same was the only instrument filed for record in the office of the Auditor of said County, on the 1st day of June, A. D. 1901, at 1 o'clock P. M., affecting the title to the land described in the caption hereof, as follows, to-wit:

H. L. Hoffman
Clerk

I HEREBY CERTIFY that I have examined the accompanying abstract of title to those certain tracts of land in Snohomish County, Washington, bounded and described as follows, to-wit:

All of the East half of the Southeast quarter of Section 13 in Township 27 North of Range 3 East, Willamette Meridian; also all of Lot 2 in said Section 13 lying South of the following described line:

Beginning at a point on the East line of said Section 13 which is 14.30 chains North of the quarter section corner between said Section 13 and Section 18 in Township 27 North, Range 4 East, W.M., and running thence West to Puget Sound; excepting the right of way granted to the Seattle and Montana Railroad Company by Amos H. Fletcher and wife by deed dated November 28, 1890, and recorded in Vol. 13 of Deeds at page 495 of the records of Snohomish County, Washington.

And I have also examined the field notes of survey of said Section 13, accompanying said abstract, and I find that the legal and equitable title to said property, in fee simple, is vested in Thomas Flint, Jr. If said Thomas Flint, Jr., is a married man his wife has, prima facie, a community interest in said land.

As near as I can ascertain the contents of said land by platting it from the field notes of survey, it is 120.85 acres, after deducting the contents of said railroad right of way.

The abstract shows that all the fir timber on said land has been sold.

The State of Washington asserts title to the tide or shore land in front of said land below the meander line.

The taxes on said property for the year 1904, amounting to \$26.44, are now due.

There is no other lien or incumbrance on said property.

March 9, 1904.

(Signed)

A. E. Hanford.

Attorney at Law.
